

Economic Security Corporation of Southwest Area Low Income Representative Pool Applicant

I am interested in serving on Economic Security Corporation's Board of Directors. I understand that I would be representing the interests of low-income people in _____ County, in which I currently reside. I understand that I would need to drive to Joplin to attend these meetings. I understand that I will be reimbursed for mileage if I live outside the Joplin metro area, as long as the Agency is able to do this. I am **not** an employee of ESC nor do I have a relative working for the agency. I understand that if I would like to be an employee of ESC or a relative would become employed by ESC, I would have to resign or my relative would resign their position with the agency.

Date: First Thursday of each month
Time: 7:00pm
Location: 302 Joplin, Joplin, MO 64801

I will be contacted by the Agency when I am selected to serve. If I move and still want to be considered, I just need to contact Tammy Walker, (417) 781-0352 or contact the outreach office in my county. *It is important that we be able to contact you, both by mail and at your residence. Please provide both physical and mailing addresses.*
