

Board of Directors

ESC is currently seeking low-income representatives for our Board of Directors.

ESC's Board is made up of three different types of board members. One-third is composed of elected public officials, another third is made up of low income representatives, and the remaining third are private interest groups. Once you are elected to serve as a Board member you need to provide your own transportation from your home to the agency on a monthly basis.

Representatives are expected to attend all meetings, which are held the *first Thursday every month*. The meetings begin at 7:30 p.m. at ESC'S central office in Joplin.
